

PRESENTS

Social Media Awareness

Do you know what apps your child have on their smartphone, laptop, or tablet? Do you know what each app is for? There are many great apps that help students and parents. Others are designed to hide information from parents or use social media in an anonymous way to hurt others.

Do you want to know more about Ask:fm, Down, Instagram, Kik, Secert, Snapchat and other apps?

Please come out and Join Us.....
